

June 2006

JACK W. FINNEY, Ph.D.

Associate Dean
College of Science
COS Administration Building (0405)
Virginia Tech
Blacksburg, VA 24061

Professor
Department of Psychology (0436)
109 Williams Hall
Virginia Tech
Blacksburg, VA 24061

Phone: (540) 231-6670
Fax: (540) 231-3652
E-mail: finney@vt.edu
Web pages: <http://www.cos.vt.edu>

EDUCATION

B.A.	1976	West Virginia University	Psychology
M.A.	1978	West Virginia University	Clinical Psychology
M.A.	1981	University of Kansas	Human Development
Ph.D.	1983	University of Kansas	Developmental and Child Psychology

PROFESSIONAL POSITIONS

Virginia Polytechnic Institute and State University, Blacksburg, VA
Assistant Professor of Psychology, 1987-92
Associate Professor of Psychology, 1992-98
Professor of Psychology, 1998-

The Johns Hopkins University School of Medicine, Baltimore, Maryland
Instructor, Psychiatry and Behavioral Sciences, 1983-85
Assistant Professor, Psychiatry & Behavioral Sciences, 1985-87, and Pediatrics, 1986-87

ADMINISTRATIVE APPOINTMENTS at VIRGINIA TECH

Director, Child Study Center, Department of Psychology, 1988-94
Director of Graduate Programs, Department of Psychology, 1993-96
Chair, Department of Psychology, 1996-2006
Associate Dean for Administrative and Faculty Affairs, College of Science, 2006-

TRAINING POSITIONS

Pre-Doctoral Internship in Pediatric Psychology and Behavioral Pediatrics, Department of Pediatrics,
University of Kansas Medical Center, 1981-83
Graduate Research Assistant, Bureau of Child Research, University of Kansas, 1980-83
Clinical Assistant, Department of Psychology, Kennedy Institute for Handicapped Children, 1977-80
Predoctoral Intern, Department of Psychology, Kennedy Institute for Handicapped Children, 1977
NIMH Traineeship in Clinical Psychology, West Virginia University, 1976-78
Undergraduate Psychological Assistant (summer), Colin Anderson Center, 1975

PROFESSIONAL ORGANIZATIONS AND ACTIVITIES

American Psychological Association

Fellow, Division 25: Behavior Analysis, 2001

Charter Fellow, Division 54: Society of Pediatric Psychology, 2001

Chair, Society of Pediatric Psychology Task Force on Injury Control, 1989-93

Fellow, Division 12: Society of Clinical Psychology, 2005

Association for Behavioral and Cognitive Therapies (formerly AABT)

Coordinator of Public Information, 1995-98

Chair, Ad Hoc Committee on the AABT Web Site, 1998-99

Association for Behavior Analysis

Association for Psychological Science

EDITORIAL ACTIVITIES

Associate Editor, *Journal of Pediatric Psychology*, 1997-99, 1999-02

Member, Board of Editors, *Journal of Pediatric Psychology*, 1995-97, 2002-06

Member, Board of Editors, *Journal of Applied Behavior Analysis*, 1989-92, 1993-96, 2000-02, 2003-04

Guest Editor, Special Section, Behavioral Pediatrics, *Journal of Applied Behavior Analysis*, 1992-93

Occasional Editorial Reviewer (past 5 years): *American Psychologist*, *Behavior Therapy*, *Clinical Child and Family Psychology Review*, *Health Psychology*, *Journal of Clinical Child and Adolescent Psychology*, *Journal of Consulting and Clinical Psychology*.

HONORS

Certificate of Teaching Excellence, College of Arts and Sciences, 1994-95

Fellow, Division 25: Behavior Analysis, American Psychological Association, 2001

Charter Fellow, Division 54: Society of Pediatric Psychology, American Psychological Association, 2001

Fellow, Division 12: Society of Clinical Psychology, American Psychological Association, 2005

TEACHING INTERESTS

Pediatric psychology, developmental psychopathology, behavior modification, health psychology

PUBLICATIONS

GRANTS

- 1984-85 *The Effects of a Supplemental Food Program on Health Care Utilization.* Biomedical Research Support Grant, The Kennedy Institute (S07-RR-05808), \$2,074, Principal Investigator.
- 1983-87 *Project HEALTH.* DHHS, Division of Maternal and Child Health (MCJ243270), \$504,282, Associate Project Director.
- 1986-88 *Applied Analysis of Child Health Behavior and Home Injury.* National Institute of Child Health and Human Development (HD21602), \$165,081, Co-Principal Investigator.
- 1987-89 *Health Education for Testicular Self-Examination.* National Cancer Institute (CA47565), \$35,000, Principal Investigator.
- 1988-92 *Psychosocial Determinants of Children's Primary Care Use.* National Institute of Mental Health (MH43883), \$338,918, Co-Principal Investigator. (originally P.I. at Johns Hopkins University)
- 1989-91 *Empirical Validation of Behavioral Targets for Diabetes Adherence.* Biomedical Research Support Grant, Virginia Polytechnic Institute and State University (S07-RR-07095), \$3,000, Principal Investigator.
- 1991-96 *Epidemiology of CMV.* National Institute of Allergy and Infectious Diseases (AI-17069), S. P. Adler, PI, \$1.5 million, Co-Investigator.
- 1997 *CyberCore: Course Development Proposal for Introductory Psychology.* Center for Innovation in Learning, Virginia Tech, \$15,053, R. P. Cooper, R. J. Foti, & J. W. Finney.
- 1997-2003 *Behavioral Intervention for Congenital CMV Disease.* National Institute of Allergy and Infectious Diseases, S. P. Adler, PI, \$1.7 million, Co-Investigator.
- 2000 *International Congress of Psychology.* International Travel Supplemental Grant, Research and Graduate Studies and Virginia Tech Foundation, \$1,000.
- 2001-2003 *Child Cancer Survivors: Spiritual Coping and Adjustment.* National Cancer Institute, C. A. Boeving, PI, \$135,000, Faculty Mentor and Co-Investigator.

- Mark C. Edwards. Matching treatment with recurrent abdominal pain: An evaluation of dietary fiber and relaxation treatments. Ph.D., May 1990. Internship: University of Oklahoma School of Medicine, Oklahoma City, OK. Current position: Associate Professor of Pediatrics, University of Arkansas for Medical Sciences, Little Rock, AR
- Susan E. Broyles. The relationship of chronic tension headache to individual and family stressors. Ph.D., December 1989 (Debra F. Neff, Ph.D., Co-Chair). Internship: Western Psychiatric Institute and Clinic, Pittsburgh, PA. Current position: Private practice, Nashville, TN
- Mark D. Weist. Empirical validation of treatment targets for the management of diabetes in children. Ph.D., May 1991. Internship: Duke University Medical Center, Durham, NC. Current position: Professor of Psychiatry, University of Maryland School of Medicine, Baltimore, MD
- Bonnie L. MacDonald. The role of systems-level variables in family adaptation to bereavement: A concept validation study of cohesion and open communication. Ph.D., May 1992. Internship: Boston Children's Hospital/Harvard Medical School, Boston, MA. Current position: Private practice, Boston, MA

- Christopher M. Boyd. Patterns of delay and non-use of prenatal care service among underclass women: A social psychological analysis. Ph.D., May 1992. Internship: Brockton/West Roxbury Veteran's Administration Medical Center, Brockton, MA. Current position: Staff Psychologist, Bedford Veteran's Affairs Medical Center, Bedford, MA
- Dana E. Putnam. The influence of emotional expression and social support on health and health care use. Ph.D., May 1993. Internship: Veterans Affairs Medical Center, Long Beach, CA. Postdoctoral Fellowship: Kaiser-Permanente Medical Center, Hollywood, CA. Current position: Instructor, California State University, San Luis Obispo, and private practice.
- David L. Jaquess. Psychosocial variance in the outcomes of pediatric HIV. Ph.D., December 1993. Internship: Medical University of South Carolina, Charleston, SC. Postdoctoral Fellowship: Kennedy-Krieger Institute, Johns Hopkins University School of Medicine, Baltimore, MD. Current position: Assistant Professor of Psychology, University of Southern Indiana, Evansville, IN
- Melanie J. Bonner. Psychosocial predictors of health behavior and school functioning in elementary school children. Ph.D., May 1995. Internship: Duke University Medical Center, Durham, NC. Postdoctoral Fellowship: Duke University Medical Center, Durham, NC. Current position: Assistant Clinical Professor of Medical Psychology, Duke University Medical Center
- Kathryn M. Miller. Predictors of psychological distress and well-being in caregivers of children with HIV infections. Ph.D., December 1996. Internship: University of Maryland School of Medicine, Baltimore, MD. Postdoctoral Fellowships: Nemours Children's Clinic, Jacksonville, FL; University of Maryland School of Medicine, Baltimore, MD. Current position: Consulting psychologist, Dallastown, PA
- Charles S. Gulotta. A behavioral and educational treatment to improve adolescent mothers' supervision and home safety practices with their young children. Ph.D., May 1998. Internship: Johns Hopkins University School of Medicine and The Kennedy-Krieger Institute, Baltimore, MD. Current position: Instructor, Johns Hopkins University School of Medicine and The Kennedy-Krieger Institute, Baltimore, MD
- M. Kristine Lilly. An analysis of adherence in childhood diabetes: Social learning and family systems variables. Ph.D., May 1998. Internship: Children's Memorial Hospital, Chicago, IL. Postdoctoral Fellowship: University of North Carolina at Chapel Hill.
- Beth DeHart Richardson. Adventure-based therapy and self-efficacy theory: Test of a treatment model for late adolescents with depressive symptomatology. Ph.D., May 1999. Internship: University of Houston Counseling Center, Houston, TX. Postdoctoral Fellowship: Texas Children's Hospital, Houston, TX
- David M. Janicke. Children's primary health care services: A social-cognitive model of sustained high use. Ph.D., May 2001. Internship: Children's Mercy Hospital, University of Missouri-Kansas City. Postdoctoral Fellowship: Cincinnati Children's Medical Center, Cincinnati, OH. Current position: Assistant Professor of Clinical and Health Psychology, University of Florida, Gainesville.
- C. Alexandra Boeving. Spiritual coping and adjustment in child cancer survivors. Ph.D., May 2003. Internship: Medical University of South Carolina, Charleston, SC. Current position: Postdoctoral Fellow, Children's Hospital of Philadelphia.
- Kirsten Bradbury. Gun-acculturation variables as predictors of children's gun access decisions. Ph.D., August 2005. Internship: Emory University/Grady Memorial Hospital, Atlanta, GA. Current position: Postdoctoral Fellow, Emory University/Grady Memorial Hospital, Atlanta, GA.

Chair of Thesis Committee

- Bonnie L. MacDonald. The role of teacher behavior in facilitating preschool children's dramatic play. M.S., October 1989.
- Dana E. Putnam. The effects of commitment and self-efficacy on adherence with a medical regimen. M.S., November 1990.
- David L. Jaquess. Lying in children as a function of adult monitoring. M.S., November 1990.
- Melanie J. Bonner. A behavioral family intervention to improve adherence and metabolic control in children with IDDM. M.S., May 1992.
- Kathryn M. Miller. A test of protection-motivation theory for promoting injury control. M.S., December 1993.
- Charles S. Gulotta. Using the Theory of Planned Behavior as a model for prediction of young women's pregnancy-resolution choice. M.S., December 1994.
- M. Kristine Lilly. Adherence to the medical regimen, school absenteeism, and psychosocial development of children with asthma. M.S., December 1995.
- Kirsten E. Bradbury. Risk taking in middle childhood: Effects of social context, friendship satisfaction, and peer reinforcement value. M.S., May 1999.
- C. Alexandra Boeving. Adjustment to childhood chronic illness: Prediction of psychological adjustment with an investigation into spiritual coping. M.S., December 2000.
- Brian L. Cowart. An intervention to increase adherence to psychological treatment. M.S., December 2005.

Chair of Undergraduate Honors Thesis Committee

- Jennifer L. Hoover. Accuracy of young children's self-report about a memorable event. Undergraduate honors thesis, April 1991. Completed doctoral program in clinical psychology at Louisiana State University.
- Cynthia D. Davis. The effects of modeling and direct instruction on lying behavior in children. Undergraduate honors thesis, April 1991. Completed doctoral program in clinical psychology at Georgia State University.
- Chantal Poister. The effects of a problem-solving intervention for reducing stress in college students. Undergraduate honors thesis, May 1996. Completed masters program in psychology at Wake Forest University.

Undergraduate Honors Program Mentor

Mycroft Smith, recipient of the University Honors Program Scholarship, 2004-05, \$10,000

UNIVERSITY, COLLEGE, AND DEPARTMENT SERVICE

- Member, Departmental Long-range Planning Committee, 1987-88
- Member, Clinical Area Long-range Planning Committee, 1987-88
- Psychology Liaison, College of Arts and Sciences 25th Anniversary Celebration Committee, 1987-89
- Member, Planning Committee, College of Arts and Sciences 25th Anniversary Celebration, 1988-89
- Member, Developmental Search Committee, 1988-89
- Member, Executive Committee, Department of Psychology, 1989-96
- Member, Facilities Planning Committee, Department of Psychology, 1991-92
- Chair, Clinical Psychology Graduate Student Selection Committee, 1991-92
- Member, Five-year Internal Review Committee, Department of Psychology, 1992-93
- Member, Personnel Committee, Department of Psychology, 1992-93
- Member, Facilities Planning Committee, Department of Psychology, 1992-93

Chair, Planning Steering Committee, 1993-94
Chair, Doctoral Admissions and Core Curriculum Committee, 1993-96
Member, Personnel Committee, Department of Psychology, 1994-96
Member, Industrial-Organizational Faculty Search Committee, 1994-95
Member, Task Force on Budget and Planning/Process Subcommittee, CAS, 1995-99
Department Heads, Chairs, and Directors Meeting Committee, 1996-97
Member, Department Head Search Committee, Department of Statistics, 1998-99
Chair, Process Subcommittee on Allocation, College of Arts and Sciences, 1997-98
Coordinator, CAS' Heads, Acting Responsibly and Sensibly, Supporting the Dean (HARASS), 1998-02
Member, Department Head Search Committee, Department of Human Development, 1998-99
Faculty Mentor, ASSIST Program, Department of Psychology, 1998-2002
Presenter, Setting Departmental Expectations, Department Heads Roundtable, Dec. 8, 2000
Member, Five-year Review Committee, Department of Communication Studies, 2000-01
Member, Ad Hoc Budget and Planning Committee, College of Arts and Sciences, 2001-02
Member, Advisory Board, Ronald E. McNair Postbaccalaureate Achievement Program, 2001-
Member, Department Head Search Committee, Department of English, 2001-02
Member, Outstanding Dissertation Award Committee, Graduate School, Virginia Tech, 2001
Member, Selection Committee, Exemplary Department Awards, Provost's Office, 2002
Member, Center for Gerontology Five-Year Review Committee, 2002-03
Member, University Honors Program, Scholarship Selection Committee, 2002-03
Member, Analysis and Services Faculty Advisory Group, Office of the Registrar, 2003-05
Member, Classroom Services and Design Faculty Advisory Group, Office of the Registrar, 2003-05
Member, Policy Work Group, ADVANCE VT, 2003-
Member, Assessment work Group, ADVANCE VT, 2003-
Presenter, New Department Heads' Orientation, Provost's Office, 2004
Member, Ad Hoc Core Curriculum Steering Committee, Provost's Office, 2004-05
Member, College of Science Promotion and Tenure Committee, 2004-07
Member, University Honors Program, Scholarship Selection Committee, 2004-05
Presenter, New Department Heads' Orientation, Provost's Office, 2005
Member, College of Science Dean's Search Committee, 2005-06

PROFESSIONAL SERVICE AND ACTIVITIES

1980-82 Consultant, Preschool for Exceptional Children, Olathe, KS
1980-82 Consultant, St. Michael's Montessori Preschool, Mission, KS
1981-83 Consultant, Regional Special Child Clinics, Kansas Crippled Children's Outreach
Program, Kansas Department of Health and Environment, Topeka, KS
1982-83 Coordinator, Student Special Interest Group, Society of Behavioral Medicine
1983-84 Program Committee, Annual Scientific Sessions, Society of Behavioral Medicine
1983-86 Consultant, Department of Pediatrics, Chesapeake Health Plan, Francis Scott Key
Medical Center, Baltimore, MD
1983-87 Consultant, Department of Pediatrics, Community and Family Health Center, Greater
Baltimore Medical Center, Baltimore, MD
1983-87 Consultant, Department of Pediatrics, Columbia Medical Plan, Columbia, MD
1985 Member, Child Health Review Panel, Maternal and Child Health Improvement Projects,
Division of Maternal and Child Health, DHHS
1986-87 Consultant, Division of Developmental and Behavioral Pediatrics, Department of
Pediatrics, Johns Hopkins University School of Medicine

- 1986-87 Member, Injury Prevention Subcommittee, Healthy Mothers, Healthy Babies National Coalition, American College of Obstetrics and Gynecology, Washington, DC
- 1986 Reviewer, Social and Behavioral Sciences Research Grants Program, March of Dimes Birth Defects Foundation
- 1987-89 Member, Planning Committee, Research on Prevention of Behaviorally Mediated Pediatric Problems. Human Learning and Behavior Branch, NICHD
- 1988-90 Member, Board of Directors, Mental Health Association of Montgomery County, VA
- 1988-91 Consultant, Department of Pediatrics, Columbia/Free State Health System, MD
- 1988-89 Expert Reviewer, National Objectives for the Year 2000 to Prevent and Control Unintentional Injuries. Centers for Disease Control
- 1988 Chair, Ad Hoc Research Grant Review Committee, RFA 88-HD-03: Behavioral Mechanisms and Causes of Childhood Injury. NIH/NICHD
- 1988 Member, Special Research Review Panel. Bureau of Maternal and Child Health and Resources Development, DHHS
- 1988 Member, Ad Hoc Grant Review Committee, Instruments or Methodologies to Reduce Exposure of Children to Injury, NIH/NICHD
- 1988-92 Research Consultant, Department of Psychiatry and Behavioral Sciences, Johns Hopkins University School of Medicine
- 1989 Member, Working Group on Demography, Standard Definitions for Childhood Injury Research, NICHD
- 1991 Chair, Ad Hoc Grant Review Committee, RFA 90-HD-11: Proxy Measures for Serious Childhood Injuries, NIH/NICHD
- 1993 Research Consultant, Father Flanagan's Boys Home, Boys Town, NE
- 1994 Member, Advisory Committee, Children's injury control conference, National Institute of Child Health and Human Development
- 1990- Research Consultant, Division of Infectious Diseases, Department of Pediatrics, Medical College of Virginia, Richmond, VA
- 1996 Co-sponsor, Workshop on Ethics, Blue Ridge Academy of Clinical Psychologists.
- 1997-98 Research and Clinical Collaboration, Departments of Pediatrics (Dr. Lin Young) and Behavioral Health (Dr. Rick Seidel), Carilion Health Systems, Community Hospital, Roanoke, VA
- 1997-98 Consultant, Teaching Asthma Self-Management Skills to Children, American Research Corporation, Radford, VA
- 2000 Research Grant Reviewer, Social Sciences and Humanities, Research Council of Canada, Ottawa, Ontario, Canada
- 2000- Consultant, Child Health Investment Partnership, Roanoke, VA
- 2001 Reviewer, Career Research Grant, Research Council of Canada, Ottawa, Ontario, Canada
- 2001-02 Consultant, RoadSafe, SBRI funded by the Centers for Disease Control, The Abacus Group, Cranston, RI
- 2003 Member, NIH Special Review Panel ZRG1 SSS-N 50, Maintenance of Long Term Behavioral Change, National Institutes of Health, Bethesda, MD
- 2003-04 Research Grant Reviewer, Social Sciences and Humanities, Research Council of Canada, Ottawa, Ontario, Canada
- 2004-05 Research Grant Reviewer, Social Sciences and Humanities, Research Council of Canada, Ottawa, Ontario, Canada
- 2004-05 Reviewer, Division 54/American Psychological Foundation (APF) Lizette Peterson-Homer Injury Prevention Grant Award
- 2005-06 Fellowship Application Reviewer, Killam Program, Canada Council for the Arts.
