Please describe your experience working with children. Attach a separate sheet if necessary, but please do not go beyond one page.

Please provide any other relevant experiences or skills that you think may be helpful in your work in this project.

What is your objective in working in the Social Development Lab and how does it relate to your personal, academic, or professional goal(s)? Is there anything you hope to accomplish by working in this lab? Attach a separate sheet if necessary, but please do not go beyond one page.

What interests you about working on this particular research?

Please list below the times you are available to work on this research.

Monday	Tuesday	Wednesday	Thursday	Friday	Saturday	Sunday

Will you be available to work in the lab during the summer? ☐ Yes ☐ No

Please provide two references below who can speak about your reliability, judgment, and sense of responsibility, and at least one of whom can speak about your skill with children.

Name	How this person knows you	Contact information

Thank you! I will get back to you as soon as possible.

Below are the semester by semester breakdown of the type of work you may be asked to perform while working in the Social Development Lab.

1st Semester:

- Transcribing interviews
- Data entry
- Preparation for study sessions
- Observing study sessions
- Babysitting siblings of participants

2nd & 3rd Semesters:

- Includes same tasks as first semester
- Helping running study sessions (interviewing, videotaping sessions)
- Coding data

4th Semester and beyond:

- Includes all of the above
- Supervising students with lesser experience
