Graduating in 2022 or Later**

You can skip ahead depending on what you need:

How to Apply for your Degree: pages 2-3

How to Run a DARS report: pages 4-6

How to Read your DARS report: pages 7-14

How to Apply for your Degree:

Before you read your DARS report, make sure to apply for your degree and select when you plan to graduate. You should apply for your degree once you are a junior or have at least 60 credit hours completed.

1. You can apply for your degree and your semester of graduation in HokieSpa by selecting the “Degree Menu” button.

6. After you've selected "View Audit", this is what you should be seeing: Please select the "Open all Sections" button under the circle pie graph.

The screenshot displays the Virginia Tech academic audit system interface. At the top, there is a navigation bar with "Home", "Academics", "Students", "Readings", and "Comments". The main header area includes the student's name, "Psychology", and a "Request Audit" button. Below this, there is a section for audit details, including "Prepared On" (02/26/2021 10:49 AM), "Student ID", "Program Code" (BS PSYC), "Graduation Date" (UNKNOWN), "Catalog Year" (Fall 2018), and "Job ID" (2105510491344771).

The "Audit" section shows a pie chart and a bar chart. The pie chart is divided into four segments: Complete (green), In Progress (blue), Unfulfilled (red), and Planned (purple). The bar chart shows the distribution of these categories across various academic requirements. The "Categories" section includes a horizontal bar chart with the following data:

Category	Hours	GPA
University GPA	~55	~3.74
Liberal Educ	~45	~3.74
Major	~45	~3.74
In Major GPA	~45	~3.74
Electives	~20	~3.50
Minor/Quest	~20	~3.50

Below the charts, there are buttons for "Open All Sections" (highlighted with a red arrow), "Close All Sections", "Complete", "In Progress", "Unfulfilled", and "Planned". A "Printer Friendly" link is also present. A warning message states: "AT LEAST ONE REQUIREMENT HAS NOT BEEN SATISFIED". Below this, a list of requirements is shown with checkboxes:

- P/F & TEN CHECK
- APPLICATION FOR DEGREE REQUIRED
- LIMIT ON INDEPENDENT STUDY & UNDERGRADUATE RESEARCH
- LANGUAGE STUDY REQUIREMENT OK
- OVERALL GPA MUST BE 2.0000 OR ABOVE
- A MINIMUM OF 120 HOURS REQUIRED. ADDITIONAL HOURS MAY BE NECESSARY TO COMPLETE ALL REQUIREMENTS

How to read your DARS report:

1. The top section includes visually represented information that shows you how much of your Psychology degree is Complete, In Progress, Unfulfilled or Planned using various colors. You can see a pie chart to the left that represents how much of your classes are Complete, In Progress or Unfulfilled for your goal of graduation. This information is also broken down into categories including University GPA, Pathway Liberal Education classes, Major courses, In Major GPA and Free Electives. On the very right, you can see your Overall GPA (top) and your In Major GPA (bottom) shown through a bar graph.

This report has been prepared to assist in planning your academic program. While every effort has been made to ensure its accuracy, input or data errors may occur. This report reflects current information as of the date it was produced.

If you have questions about your major, contact your department.

QUESTIONS ON OTHER SECTIONS SHOULD BE ADDRESSED TO YOUR ACADEMIC ADVISOR WITHIN 10 WORKING DAYS OF PREPARATION OF THIS REPORT.

2. The next section of your DARS report focuses on whether you have applied for graduation and what courses you still have left to complete all graduation requirements. This section of the DARS report will also show if you have any transfer credit incoming because you can only transfer in a maximum of 60 credit hours. You can also find if you've met your foreign language requirement here in the future. Your Overall GPA will also be listed along with the number of hours you have left before reaching the 120 credit hour minimum requirement for the Psychology major. Your current semester courses will be listed as "IP" or "In Progress".
